Note: The Hopper Lip Plate PN56475090 (item #4 at left) and Hopper Strap PN56475089 (item #3 at left) have been eliminated. They are being replaced by a one piece Hopper Lip Plate PN56475090 (item #3 below). All machines built after June 1995 will have this change. When installing the new Hopper Lip Plate PN56475090 on a machine built before June 1995, the (3) holes for mounting the old Hopper Lip Plate PN56475090 (item #4 at left) must be plugged. You can use the existing (3) screws and nuts (items #5 and 6 at left) by simply re-installing them
